THE IMPORTANT INFORMATION

First Location - **Stithians
Community Hall**
Dogs per class: **max. 4**
Time: **15:00 pm**

What to expect?

Expect to be challenged every week and to receive plenty of information.

I am a big believer in giving puppies experiences in all different spaces! Classroom behaviours don't always translate to the real world!

We will go to different locations to teach your pup a new life skill, from "settle" pub etiquette to loose lead walking!

Each week you will learn a new skill and get the tools and information to get the behaviour to stick for a lifetime. You will also receive information about canine behaviour, so that you can avoid any behavioural problems in the future.

What will you need for the class?

1. **Super tasty treats** – cut into small pea-sized pieces.
2. **Toy** – Your dog's favourite toy might come in handy.
3. **Optional dog bowl** - Water will be provided but some dogs don't like to share!
